From April 2016 the amount of each partner's share of the whole donation from the LLP needs to be specified in this declaration. The partner must include their home address and should tell The Prince's Trust if they change their name or address. The Trust will claim the Gift Aid on the partner's share of the donation stated above. If the donation is shared between more than one partner, The Trust would need a declaration for each individual partner to Gift Aid their share.

The partners should also enter their share of the donation on their own Self-Assessment tax return.

How the donation is apportioned between the partners is a matter for them to decide
